President's Message

Dear Friends

The cold winter months of June and July cooled down the activities we have as a community group.

The only event was the AGM on the 28th of June. The AGM was well attended and the meeting was conducted with proper decorum and harmony.

I am happy to inform you that the prayer classes are getting interesting and more people are making the effort to attend. Those who are attending have found the classes interesting. In fact in the last class I attended Nina Daruwalla enlightened us about Chakra Points. Friends do attend and enjoy in the sharing of information about our religion.

Darius Mistry is also organising an outing for our younger Zarathusties. If you are interested in sending your children please give Darius Mistry a call.

Finally I wish you and your family a very HAPPY NAVROZ and look forward to meeting all of you at the Navroz function.

Ushta-Te

Yazdi Mistry (President)

India's Independence Day

On the 3rd of August the Bharat Darshan celebrated their 1st anniversary as well as the India's Independence Day, with a cultural evening. They invited us to participate giving us a very short notice. Due to the short notice we could not organise any cultural item. However, Godrej Engineer gave a brief and interesting introduction to Parsees in India that was well received.

Mistry Makes Masonic History

On 22nd July, our president Yazdi Mistry was installed as the 120th Worshipful Master of Eden Lodge in the English Constitution. The director of ceremonies dubbed the event as Mistry Makes History as Yazdi was the first Zarathusti to be elected to the post.

Thanks to Yazdi's encouragement currently there are two Zarathusti members in the Eden Lodge and two more are going to be initiated soon. If you are interested in knowing more about Free Masonary contact Yazdi who will be happy to enlighten you. Our heartiest congratulations to Yazdi and we wish him all the success.
